

# MATH BATTLE ROYALE

**PASUM BUDDY GROUP COMPETITION (PBG) 3.0**

**MATH BATTLE ROYALE**  
*Critical thinking: An Attribute of Active Learners*

**What is it?**  
Each group consisting of 5 participants has to compete with the other groups in a Battle Royale style mathematical tournament. The last group standing, which is the one that has the most accurate answers within the shortest amount of time will be declared as the champion!

**When?**  
Date: 25 October - 12 November  
Time: Monday - Friday (9pm)  
Saturday - Sunday (9am)

**Who?**  
Each tutorial group (from Life Sciences, Physical Sciences and APiDS) must submit 5 students to participate in this competition

**Where?**  
Online, through SpectrUM

**Any queries?**  
Feel free to contact us!
