

# DR. MAHANOM JALIL

<https://umexpert.um.edu.my/hanom>

## SKILL

### Soft skills :

- Teamwork and collaboration
- Decision making
- Critical Thinking
- Community Engagement

### Hard skills :

- Tissue culture skill
- Gardening skill
- Analytical skills

## RESEARCH/ ACADEMIC INTEREST

Plant Tissue Culture

Somatic Embryogenesis

Plant Biotechnology

Adventitious Root Culture

*In vitro* Bioactive Compound

Herbs

STEM Related Project

Ginger Plant Tissue Culture

Banana Tissue Culture

Ideation and Entrepreneurship

Community based project

## FUN FACT

Cheerful and love challenges!!

## PERSONAL INTEREST

Petplants/Gardening

Cooking

Watching CSI series

## SUCCESS STORIES

Graduating with Phd in Plant Biotechnology few years back. A proud moment and achievement for me and family.

Winning a silver medal for innovation (PASUM students session 2022/23) at Pre-University Matriculation Innovation Competition (PIITRAM2023)

Securing FRGS grant for 2022 cycle. Hoping to secure more research grants in future and always open for collaboration.
