- Project management
- Quickly Calculation

## RESEARCH/ACADEMIC INTEREST

Mathematics Education

Mathematics education teaching method

Highschool Education

Highschool improvement

Highschool revitalization

Collaboration between high schools and local communities

## FUN FACT

I am the Japanese.  
 We can support students to enter Japanese National University.  
 No Malaysia ! No Life !  
 No Japan ! No Life !

## PERSONAL INTEREST

- ✓ Playing Golf
- ✓ Playing Table Tennis
- ✓ Motorcycle
- ✓ Ski
- ✓ Japanese traditional swimming style
- ✓ Travel
- ✓ SEA FOOD
- ✓ SAGA BEEF

## SUCCESS STORIES

I studied mathematics at university, and in teaching graduate school deepened my studies in school management. My work at RPKJ(AAJ) is the culmination of this. It is a great honor to be involved in supporting Malaysian students to study at Japanese national universities
