

# DR. NORLI ANIDA ABDULLAH

<https://umexpert.um.edu.my/norlie>

## SKILL

### Soft skills :

- Ideation and entrepreneurship
- Teamwork and collaboration
- Decision making
- Written communication

### Hard skills :

- R software
- SPSS
- Machine Learning
- Analytical skills

## RESEARCH/ACADEMIC INTEREST

### Shape Discrimination

Complex Multivariate Normal

Medical Statistics

Statistical Modelling

Machine Learning

### Outliers

Project Proposal-Based Learning

Distribution

### Circular Statistics

Ideation and Entrepreneurship

Skeletal Prediction

## FUN FACT

Positive Stubbornness  
But please interpret it as persistence.

## PERSONAL INTEREST

Playing Dam  
Badminton  
Travel  
Listening to podcast

## SUCCESS STORIES

The Craniofacial Statistical Modelling team began with two members (me and Dr Firdaus Hariiri) and has now grown to 7, with further expansion anticipated, InshaAllah.

Winning a gold medal for UM Card team (PASUM students session 2022/23) at Pre-University Matriculation Innovation Competition (PIITRAM2023)
